Linda,

Prime then RTV or RTV and then Prime. I'm not concerned. I think I would actually prefer prime and then RTV.

Regards,

Harvey

**Subject:** D4970-041

Good Morning,

We assembled a couple of the D4970-041's, and after priming, the rtv seems to come through the primer, and made the primer flake. Is there any way we can do the priming first on the parts and assemble and rtv after?

Thx

L
